Driving Directions

US Highway 71 past Carthage to Interstate 44. Go east on 44 about 8 miles to Hwy 37 South. Go south through Sarcoxie, Monet, to Cassville to Rt. 76 East. Just past where Rt. 86 splits south at Bates Corner, continue east on Rt. 76, where the road starts curving. Count 10 curves and just before the sign “WELCOME TO THE MARK TWAIN NATIONAL FOREST” is a gravel road on the left. Take the road to the stone house, turn right, and continue on the dirt road 2 miles to a wooden privacy fence on the right as the road curves left. Park on the side of the road opposite the fence. The cave is on the right behind the fence. We will be cooking in the field opposite the house.
