#### **Open Committee Positions:**

Asst. Committee Chair, - is needed to help Bart and be prepared to take over in 2013.

Recruiting: We would like to have folks targeted to help with specific cub packs. This position would consist of helping track who comes to visit us and to share information with the Cub adults about troop activities that Webelos are invited to.

Quartermaster: Jon Rayner volunteered to fill this position. A scout quartermaster will be appointed to work with Mr. Rayner by the SPL and Scoutmaster.

COR: Kent Guinn has volunteered to continue in this position through 2012. We will need someone to take this over beginning the 2013 scouting year.

Eagle Coordinator: There have been many changes at the district level on how Eagle projects are approved. It is necessary for a troop member to take on a greater role in helping guide boys through their Eagle projects. Jim Forson and Brian Weith will work with and identify adults at the patrol level to help with this.

Fundraising: Bart will work with the church to secure two dates to hold pancake breakfasts at the Wornall and Quivira campus.
